The University
HOMESTEAD ASSOCIATION

THE LANDS OF THE ABOVE-NAMED ASSOCIAtion are situated in San Francisco and are eligibly and most desirably located, adjoining the grounds purchased by the Presbyterian University Society, on which College buildings are to be at once erected. The site is less than thirty minutes ride from Montgomery street, lying just west or back of the lands of the South San Francisco Homestead and Railroad Association and the Bay View Park, almost within a stone's throw of

ST. MARY'S COLLEGE.

The tract will require little or no grading, there being scarcely a single lot on which it would not be safe to build without any change of grade. It commands a

Beautiful View of the Bay,

And its opposite shore, and has a soil of extreme richness. So great are the natural attractions of the spot that very many of the wealthy citizens of San Francisco have already purchased whole blocks in the same tract, and design building residences thereon.

The Rev. E. Thomas, D. D.,

Is President of the Association; Lester L. Robinson formerly Vice President of the Sacramento Railroad Company, is the Treasurer, and Thomas D. Lewis, formerly of Portland, Secretary.

Four lots, 25x120 feet each, constitute a share, costing $315—paid in monthly installments of $10 each, after the first payment of $20 has been made.

Maps and books giving full information of the workings of the Association can be obtained at the store of J. L. PARRISH & CO.

It is an easy and a cheap way for young men to procure property which will in a few years make them independent.

SATURDAY MORNING, JUNE 1, 1867.

A Device of Demagogues.

It has always been a part of the tactics of the Democratic party to inculcate the idea that there is an irrepressible conflict, an innurable hostility, a deadly antagonism between the rich and the poor; that men of wealth are the natural enemies of those who have been less favored by fortune; that the former class are constantly seeking to oppress the latter and to make their hard lot harder still. This is the lowest and most reprehensible kind of demagogism, the motive of which is instantly detected by all who take the trouble to think for themselves. The same arts have been practiced by unscrupulous demagogues in all ages. It is but one step from this idea to the position that property is a crime. This was actually the principle which inspired the French mob, when that innumerable throng, made up from the worst elements of the population, and headed by Millard, crowded madly to the chamber of the National Assembly and demanded vengeance upon the aristocrats who, as the mob lyingly asserted, "wanted to starve them." Behind this idea which the Democratic party so studiously inculcates,—the idea that the rich are the implacable enemies of the poor and seek to oppress them,—lurks a belief that the property of the rich should, in justice, be seized and parcelled out among the members of the community at large, so that the wealth of the few may not be a menace upon the privileges of the great mass of the people, and that each individual may be made happy by the reception of the paltry dividend which would fall his share in the general pillage. That mean spirit which prompts men to look on wealth with envious eyes, is also the origin of this prodigious outcry against those who have a competency, for their alleged hostility to the interests of those who are comparatively poor.

What ground is there for this declaration of hostility? The real interests of all classes of society are identical. By the word "poor" our laboring classes are generally meant. Now no man can sell his labor unless he can find another man who has money to buy it. And again, no man can buy labor unless there is profit in it. Hundreds of thousands of operatives in our country are now without employment, and in some cases are in distress. What is the cause? The men who have heretofore employed them can no longer afford to buy their labor. Thus it appears that whatever is of advantage to the rich is of advantage also to the poor, and that when the capitalist cannot make money, the laborer must suffer. The truth is, the relations of the two classes are such that they must stand or fall together. The possessor of wealth is not the enemy of the poor; he is their only friend.

As we cannot think it a disgrace to be poor, neither can we think that poverty is a merit. And as we cannot think there is much merit in riches alone, neither can we think the wealthy man necessarily bad. Therefore we do not believe in a proper aristocracy; neither do we see the propriety of designating wealthy men by odious names, as "bondocrats," "Shylocks," and "heartless oppressors of the poor," simply because they possess large property. But your Democratic demagogue proceeds on another scheme of things. Like the ascetics of the dark ages, he appears to hold it meritorious to be sunk in abject poverty; and like the leaders of the French rabble, he seems to think that the most effectual way of manifesting his humane sentiments, and of proving his friendship for the poor is by railing against the rich. The acting President of the United States like the demagogue that he is, not long ago in one of his fuddled conversations, dilated upon this very same theme, and ran through the whole gamut of incoherent eloquence in the endeavor to show that the country is cursed by what he calls an "aristocracy of capital." Probably he and his school of politicians, like the mob of Paris, think that individual capital pillage fortunes, should be entirely annihilated so that this "aristocracy" may be destroyed and the Democratic millennium ushered in. His remarks about a "monied aristocracy" which went the rounds of the press not long ago, were quite in keeping with the Democratic idea, now so studiously propagated, of arraying the different classes of society against each other, and of gaining votes among the poor by making them believe that men who possess a competence are their enemies and oppressors.

A Democratic paper of this State boasts that in Kentucky there is "a majority of forty-two thousand out-and-out rebels." This admission that "Democrat" and "rebel" are synonymous terms is remarkably candid. Kentucky has had a large majority of Democratic rebels for several years,—so large, indeed, that she was only prevented from going into the Confederacy by the "invasion" of her soil by "Lincoln's hirelings" from Ohio and other loyal States. And since the rebellion was quelled this out-and-out majority of Democratic rebels is maintained in Kentucky because that State was not half so well whipped as most of her rebel sisters. Alabama and Georgia were thoroughly punished and humbled, and the papers of those States tell us that every vote will be needed to save the Democratic party from defeat. Kentucky was not half whipped and she gives forty-two thousand rebel Democratic majority. We must thank the *Southern Oregon Press* for its candor in revealing the true character of its party.

We feel it our duty to inform our readers, at least as often as once a month, of the progress the *Herald* is making in discussing and settling the legal questions which have arisen out of the rebellion. We thus sum up for the past month: The insurgent States lost no rights by the revolution, because States are sovereign and can do no wrong, and individuals can alone be held responsible. Individuals cannot be punished for treason because they merely obeyed their States. Therefore no wrong has been done, no rights have been lost, and it is one of the fallacies of Radical argument to assert that anything is or has been the matter.

Did Mr. Humason resign the office of Representative in the State Legislature before he accepted the office of Collector of Customs at Astoria? Does he not hold the State office still? And in case a call should be made for a special session of the Legislature would he not appear and claim his seat? Did he commit "perjury" by accepting an appointment under the United States while holding an office under the State of Oregon? Does the *Herald* know anything about this matter? Its accusations against the acting United States Attorney render these queries pertinent. Has it no thunderbolts to hurl at Mr. Humason?

The New Orleans *Times* is an ultra Southern paper: Yet it will be seen by the following extract from its columns that it has succeeded in learning something. It would be well if Northern Copperhead papers would learn the same lesson:

> We are are highly gratified at the unanimity with which the country press accepts the situation, and advises a reorganization under the military bill as soon as practicable. As to the question of constitutionality or unconstitutionality, it is altogether useless to waste words. That the North is determined to reconstruct the South according to a notion of what is expedient and proper, can no longer be doubted. The action of Congress is but a faint reflection of Northern public sentiment, and if our people should display a refractory spirit, in view of the humiliating position in which they are placed, they would be saddled with another reconstruction bill, far more severe and humiliating.

ARMY CONTRACTS.—Messrs. Sherlock & Co. are shipping large invoices of goods, on contract with the Government, to Forts Vancouver, Boise, Colville, Lapwai, Steilacoom, Walla Walla, San Juan Island, and Camps Logan and Watson.

BEEF CONTRACTS LET.—The contracts for supplying camps Lyon, Winthrop and Warner, with fresh beef were awarded last Tuesday, as follows: For Camp Lyon, to H. Tuckor, at 9 4-7 cents per pound. There were five bids, the highest being cents. For Camp Winthrop, five bids, the highest being 14¼ cents; awarded to Bishop Goodrich, at 9¾ cents. For Camp Warner, two bids, the highest being 14½ cents; awarded to Peter Dean, at 10 4-9 cents. The contracts are for seventy-two thousand pounds each.—*Boise Statesman*, 23d.

SOUTHERNERS GOING TO BRAZIL.—The Brazilian Government is reported negotiating for the steamer *Catherine Whitney* to carry four hundred unreconstructed Southerners from New Orleans to Brazil.

MR. ROLLIN HUNTINGTON, manufacturer of clocks, Jersey City, says that the Grover & Baker Machine gives a more elastic stitch than any other machine; that it is less liable to get out of order, and that it costs less to keep them in order. W. Currier & Co., Agents 103 Front St., Portland.

INTOLERANCE.—Some of the sapient underwriters of New York City have volunteered an insult to the Hebrew race, by their recently passed resolutions to refuse them insurance against fire. Now this is very seasonably met by Mr. Mooney, the President of the Builders' Insurance Company, of San Francisco, whose card we publish below. Disliking every species of intolerance, we gladly applaud such a reproof as Mr. Mooney's card conveys.

NEGLECTED COUGHS AND COLDS.—Few are aware of the importance of checking a Cough or "Common Cold," in its first stage; that which in the beginning would yield to a mild remedy, if neglected, soon preys upon the lungs. "*Brown's Bronchial Troches*," or Cough Lozenges, afford instant relief.

TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP, for children, is an old and well-tried remedy. It has stood the test of many many years, and never known to fail. It not only relieves the child from pain, but invigorates the stomach and bowels, cures wind colic, and gives rest and health to the child, and comfort to the mother. Hostetter, Smith & Dunn, Agents for the Pacific coast.

VAST CONTRAST.—What a great difference there must be between the climate of Russian America and the climate we live in; while the former is bitterly cold, the latter is extremely warm, and while other houses in this city sell goods at extreme high prices, KOHN & FISHEL, No. 91 Front street, have come down to the other extreme by selling Clothing and Gents' Furnishing Goods, etc., at very low prices, of which every person is already convinced, and those who ain't, can be convinced by calling on them and be convinced.

REDDING'S

RUSSIA SALVE!

(ESTABLISHED 1806.)

Price 25 Cents per Box.

Is the Universal Remedy for

BURNS, SCALDS, CUTS, BRUISES, and all FLESH WOUNDS; for CHILBLAINS, CHAPPED HANDS, PILES and OLD SCROFULOUS SORES; ERUPTIONS, BLOTCHES, SALT RHEUM, and all CUTANEOUS DISEASES.

REDDING'S RUSSIA SALVE is a purely *Vegetable Ointment*, made from the very best materials, and combines in itself greater HEALING POWERS than any other preparation before the public. Its timely application has been the means of saving thousands of valuable lives, of relieving a vast amount of suffering, and wherever used has proved itself in reality A BOON TO SUFFERING HUMANITY.

SIXTY YEARS' GENERAL USE OF THE RUSSIA SALVE IS A NOBLE GUARANTEE OF ITS INCOMPARABLE VIRTUES AS A HEALING OINTMENT.

The very large sale of REDDING'S RUSSIA SALVE, during the past *sixty years*, has given rise to hundreds of unworthy imitations, but throughout all opposition, this RUSSIA SALVE maintains its supremacy, as a *reliable preparation*; having a steady and permanent sale, and never deteriorating in quality by age or climate, and is sold to dealers at a price enabling them to realize a generous profit by its sale.

REFINING WORKS,

No. 416 Montgomery Street,

(*Successors to Kellogg, Hewston & Company.*)

CAPITAL STOCK, $1,000,000!

Directors:

JOHN PARROTT, CHAS. E. McLANE,
WM. C. RALSTON, A. HAYWARD,
LOUIS A. CARNETT.

LOUIS A. CARNETT.....President and Manager.
JOHN HEWSTON, Jr.....Chemist and Superintendent.

THIS COMPANY HAVING GREATLY enlarged their Refining Works, and introduced many other important improvements, are pleased to announce that they feel warranted in again reducing materially their terms of doing business.

THE TARIFF OF CHARGES

Which they now submit to the public—considered with reference to the cost of fuel and labor—is lower than in any other part of the world, and serves to the lasting interest of this coast an important increase in both the minting and commercial value of bullion.

Their charges hereafter will be as follows:

FOR ASSAYING DEPOSITS FOR UNPARTED GOLD BARS.

One-eighth of one per cent. (heretofore a quarter) for all amounts over $1,000, and two dollars for any smaller sum. Returns made in twenty-four hours.

FOR ASSAYING DEPOSITS FOR UNPARTED SILVER BARS.

Two dollars for the gold contained, up to $1,000, and one-eighth of one per cent. for all amounts over that sum, and one per cent. on the silver contained. Returns made in twenty-four hours.

FOR REFINING DEPOSITS MADE FOR COIN OR FINE BARS.

On bullion under 300 parts gold, 2 cents per ounce.
On bullion from 300 @ 600 parts gold, 4 cents per ounce.
On bullion from 600 @ 750 parts gold, 6 cents per ounce.
On bullion from 750 @ 840½ parts gold, 8 cents per ounce.
Above 850 the only charge will be for coinage. But there will be no charge for refining less than two dollars.

FOR COINING GOLD.

This charge will be the same as at the Mint—a half of one per cent.—and which is paid by us to that institution. But there will be no charge in future for making fine gold or silver bars from bullion refined by us.

RETURNS IN COIN IN FORTY-EIGHT HOURS.

Silver contained in deposits for coin will be accounted for at the same rate customary at the Mint.

Gold bars of other Assayers, in good standing, will be cashed by us at the highest market rates.

Dust and bullion can be forwarded to us from any part of the country, and returns made through Wells, Fargo & Co.'s Express.

CHARGES AT U. S. BRANCH MINT.

For the convenience of those not familiar with the terms of the Mint, we subjoin the tariff of charges now in force at that institution:

For refining bullion under 900 parts gold, 3 cents per ounce.
For refining bullion from 900 @ 950 parts gold, 5 cents per ounce.
For refining bullion from 950 @ 750 parts gold, 7 cents per ounce.
For refining bullion from 750 @ 830 parts gold, 11 cents per ounce.
For refining bullion from 830 @ 849½ parts gold, 14 cents per ounce.
The charge for coinage is half of one per cent., and the charge for making fine silver bars, the same.
Comparing the net value of deposits for coinage, with the proceeds of unparted gold bars sold in the market—assuming that the bars have cost ½ of one per cent.—they must be sold at the following par rates to equal the return which would have been made had they been deposited for coinage:

850 par to equal Mint return, at refining charge of 14 cents.
846 par to equal Mint return, at refining charge of 10 cents.
836 par to equal San Francisco A. & R. Works return, at refining charge of 8 cents. mh2d2p3m

THE BASE BALL MATCH GAME.—We take particular pleasure in publishing the following resolutions, adopted by the "Pastel Base Ball Club, of Vancouver. Our readers will see that the letter of "B. O. R." published in the Herald of Thursday morning, was unauthorized by the Club, and that it did not have their sanction.

Resolved, That our feeling toward our club, expressed in the following resolutions, is fully reciprocated by the Pioneers of Vancouver, May 31st, 1867.

At a meeting of the members of the Occidental Base Ball Club, who were present at the match game played with the Pioneer Base Ball Club, of Portland, held the 31st day of May, the following resolutions were unanimously adopted:

First, That the "Vancouver Correspondence" for the Oregonian and Herald, signed "B. O. R." was not authorized by, nor is the same endorsed by the members of this club.

Second, That Mr. E. D. Backenstos, as umpire, *ought* not to be charged with any conduct unbecoming a gentleman, or with any willful "violation of the good faith imposed in him," but that the *errors* which, in our opinion, he made by some of his decisions are to be ascribed to the want of a full failure on his part to observe the proprieties of the game, and not to any desire on his part to show any partiality or bias to either party.

Resolved, That the conduct of our Portland friends at the recent game merits our admiration, and we assure them that we cherish the kindliest feeling of friendship for them and indulge in the hope that the most friendly relations may always exist between the two clubs.

Resolved, That the publishers of the Portland papers are requested to publish these resolutions and the Secretary be requested to forward a copy of the same to the Pioneer Base Ball Club.

Signed by Daniel Leahy, Jacob Proebstel, H. C. Morse, Lewis Brant, William Leahy, E. J. Glover, James Orr, Jesse Potrain.

P. McNAMARA, Captain.

[illegible] Secretary.

LOCAL ITEMS.—The subjoined items are from the ... *Baptist*: We learn that another Base Ball club will be formed shortly in this place, and which will consist principally of officers stationed at this post..... Vancouver Fire Engine Company held a special meeting last Monday night for the ... purpose, elected C. H. Hunder as Foreman and N. C. ... Assistant, to fill the vacancies occasioned by the ... sion of R. J. Moore and James A. Orr..... The Boise City correspondent of the Corvallis *Gazette* announces the death of Mrs. Eckerson, wife of Capt. Eckerson, U. S. A, which he says happened at Boise City about a month ago. That statement is without foundation, that lady being now at Vancouver enjoying good health. We hope the 7 ... will make the necessary correction.

Gone To ... Capt. E. G. Adams writes us from Beaver Dam precinct, Washington county, May 31st: I am a member of Good Templars here of eleven charter members. May 29th, 1867. The Lodge takes the name of "Oswalt." It meets on Wednesday at 6 P. M., for the present, at Union School House, eight miles from Portland, but will meet at the Wesley Chapel, East Side Circuit, when it is completed. The following is the list of officers: John C. Hall, W. C. T.; Miss Mary ... W. V. T.; Mrs. Jane C. Jones, W. S.; Elihu Jones, W. F. S.; Miss Florence Markee, W. T.; Luther ... W. M.; Miss Dorothy E. Sharringhouse, W. I.; James Jones, W. O. G.; Marcus Donohue, W. C.; John R. D. Sharringhouse, P. W. C. T.; John H. Jones, Deputy.

IN THE COURT.—In the Recorder's court, yesterday, the following proceedings were had: Thos. Hagan, charged with obtaining money under false pretenses; continued.

Sexton Simpson, colored, permitting a gambling device to be set up in his house—the Live Saloon; continued.

Edward H. Davis, charged with stealing one dollar from the till of the Occidental House; plead guilty to petit larceny; fined $25, and costs, or twelve days in jail.

Two or three colored witnesses were arrested, yesterday, but detained to testify against gamblers in the Live Saloon.

STRAWBERRIES!—Mr. Chas. Schramm, of the firm of Schramm & Nixon, walked into our office ... just at the witchingest hot hour of the afternoon, and deposited a basket, himself, making an immediate exit. It was well he exited, for a reconnoissance of the ... discovered the fact that the basket contained ... strawberries and cake. O, Lord! What a ... there was, instanter! The printers' mouths water ... at the recollection of it. The delicious things were ... in the shortest possible time. Schramm was voted a good looking man, Nixon was voted another, Nixon the first was eulogized in several neat and eloquent ..., and by a unanimous vote, all hands declared their readiness to have a similar thing done to them again. Schramm & Nixon keep the Good Templars' Retreat on First street near Alder.

BOATS DOWN.—The wharf in rear of P. Sposito's store broke down yesterday afternoon, in consequence of having too heavy a load of oak wood, carrying with it a ... Lindsay building stored full of hay, a steam boiler and some other property. The section of the wharf which fell was about forty feet square. The water being two or three feet deep in the lower wharf it is difficult to tell whether it is also broken. Everything can be got out without material damage, though the necessary repairs to the wharf will be a considerable sum. We learn that the wood belongs to Mr. McMullen.

HISTORICAL VISIT.—Mr. McPherson, editor of the *Union*-ville, called on us last evening, just from Salem by stage ... has, by some means unknown to the editorial craft ... al, got a nice, shiny, silk plug hat, under which ... genial phiz looks more genial, if possible, than ever. ... should have suspected him of having borrowed Lish ... Applegate's hat, only we know Lish's to be an old one; ... Mac.'s is about as new and slick as they generally ... them. No, Mac.; we don't drink; but we confess ... weakness for ice-cream and strawberries.

HARVESTING.—During the last week or two, the arrivals o... by wagons have been very considerable, mostly ... Yamhill county and those parts of Yamhill ... are remote from steam navigation. It has been no ... thing for from fifty to sixty teams to arrive in ... day. We, of course got no account of the amount of ... thus arriving, and it is not included in our monthly statement.

RACE.—A match race has been agreed upon, for ... side, between W. R. Hill's mare "Kate Darling" ... horse known as "Peace-Maker," belonging to Jerry ..., to come off at 4 o'clock this afternoon over the ... track. Forfeits to the amount of $100 a side ... up. The horses are to go one turn around the track, ... "Peace-Maker" carrying 1.25 pounds to a catch rider for "Kate Darling."

PREACHING.—In consequence of repairs on the building, Trinity Church will be closed on Sunday. St. Stephen's Church, corner of Madison and Fourth streets will be open for Divine service at 10½ o'clock, A. M. Evening prayer, with sermon, will be celebrated at the Vestry Room of Trinity Church at 7½ o'clock P. M.

VESSELS ARRIVING AND DEPARTING.—The number of vessels arrivingat and departing from this port by ocean conveyance, during the month of May, were as follows: Arriving, 231; departing, 195; excess of arrivals, 36. Both of these figures are unusually small for the season of the year.

SHERIFF'S SALE.—A sheriff's sale of a considerable amount of real estate, will take place at 10 A. M. to-day, at the Court House, for the collection of delinquent taxes. Under our statutes, there is no doubt about the perfection of tax-titles, and therefore bidding is expected to be lively.

BOSEN & BICKEL.—The popular resort kept by Messrs. Bosen & Bickel, on First street, is again open for the season, with ice-cream, strawberries and cream, served up in the usual good style which those ... to be thoroughly understand.

PARTY OF 76.—The people of Oswego, after dancing most of the day of the Washington Guard's pic-nic, continued the ... until after the departure of the company, till ... o'clock in the evening. The Oswegans are some on the "Scotch to toe."

BROKEN WELL.—Capt. Kellogg reports that John Athey, who fell and broke his leg the other day at Oregon City, is doing well, the fractured limb having been set the same day by Drs. Barclay and Saffron.

A TEACHERS' INSTITUTE.—We learn that a convention of the teachers of Multnomah county will be held at the central school house in this city, commencing Friday, June 14th, for the purpose of organizing a teachers' institute.

WILLAMETTE FREIGHTS.—The *Senator*, yesterday, brought down from Oregon City, 2,679 qr sks flour, 60 sks middlings, 297 sks bran, 31 bales wool, 1 bale woolen goods, 3 iron rollers, 2 blocks and 1 case machinery.

TREASURE.—The receipts of treasure during the month of May, were $180,800. The amount shipped during the same time to San Francisco, was $202,800.

THE WIDE AWAKE BASE BALL CLUB AND BARNUM BROS., Clothiers, are wide awake enough never to be beat, a privilege we all have in America. It is often difficult to prove statements, but no danger in this case. We point out common sense—look around, and you shall be the Judges. It is all out of common reason to suppose that any one in the clothing line has strength enough to undersell Barnum Bros. Smooth talkers have pretty much gone out of use. A good stock and low prices are now-a-days preferable. Barnum Bros. are wide awake enough to keep the stock, and sell cheap for cash, on corner of Front and Morrison streets, Portland.

NOTICE TO THE PUBLIC.—From and after this day the well known FRENCH LAFAYETTE RESTAURANT will serve a first-class table at the reduced price of Seven Dollars per week.

"IN CITY OR COUNTRY," in town or hamlet, the FAMILY DYE COLORS are equally popular. Storekeepers say it is no use to have any but the HOWE & STEVENS stamp, for the people know no others, and believe in none. They are equally the best, the most reliable and the cheapest. Smith & Davis, agents.

Columbian Engine Company No. 3.—Drill this (Saturday) evening, June 1st.

THOSE WHO SUFFER from nervous irritations, itching uneasiness, and the discomfort that follows from an enfeebled and disordered state of the system, should take **Ayer's Sarsaparilla**, and cleanse the blood. PERRY DAVIS' VEGETABLE PAIN KILLER, after a thorough trial, by innumerable living witnesses, has proved itself THE MEDICINE OF THE AGE. Although there have been many medicinal preparations brought before the public since the first introduction of Perry Davis' Vegetable Pain Killer, and large amounts expended in their introduction, the Pain Killer has continued to steadily advance in the estimation of the world as the best Family Medicine ever introduced. It is an internal and external remedy. One positive proof of its efficacy is, that the sales have constantly increased, and wholly upon its own merits. The effect of the Pain Killer upon the patient, when taken internally in case of Cold, Cough, Bowel Complaints, Cholera, Dysentery, and other affections of the system, has been truly wonderful, and has won for it a name among medical preparations that can never be forgotten. Its success in removing pain, as an external remedy in case of Burns, Bruises, Sores, Sprains, Cuts, Bites of Insects, and other causes of suffering, has secured for it such a host of testimony, as an almost infallible remedy, that it will be handed down to posterity as one of the greatest medical discoveries of the nineteenth century.

The Great Brooklyn Navy Yard Robbery Four Years Ago—Detection and Arrest of its Perpetrators.

[Washington Correspondence of the New York Tribune.]

Further particulars have been obtained regarding the robbery of Navy-Paymaster Belknap in the Brooklyn Navy Yard, and of the capture and identity of the persons arrested. The robbery occurred four years ago, and amounted to $130,000 of money belonging to the Government. As no explanation could be given by Mr. Belknap, and the circumstancesal evidence was against him, his dismissal from the navy was recommended by Marshal Murray, and he was dropped from the rolls. Since his dismissal, with the aid of friends and detectives, he has labored untiringly to erase the odium from his name by the arrest and conviction of the guilty persons.

The robbers, having evaded pursuit for four years, have at last been secured and are now in charge of Marshall Murray and Colonel Wood, Chief of the Treasury Detectives, and will soon be taken to New York. The persons arrested are the most successful and dangerous thieves and burglars living, having all of them been raised and educated to the profession in England; their names are Phil. Stanley, alias "Four fingered Jack." "Young Jack Adams," "Jack Wright," &c.; William Walton, alias "Brummy," "Bob Smith," "Bill Smith," &c., Joseph Buford, alias "Peppermint Joe," &c., and Jack Wright.

Stanley, the master spirit of the robbery, was a protege of old Jack Adams, of England, and was some time since pardoned out of the Penitentiary, to which he had been sentenced to ten and a half years, for opening and robbing fifteen of Herring's safes. He is very wealthy, as indeed are all the persons, and did a prominent brokerage business for some time in Wall street, under the name of De Witt C. Wright. The day after the Brooklyn robbery, this man, having every appearance of a gentleman, accosted Marshal Murray on Pine street, and began conversing about the robbery. He stated that Belknap was a gambler, that he knew him well, and that (Belknap) had lost the money in a Broadway hell. As he was passing along, he remarked to the Marshal that he was in a hurry then, but that he would during the day call at his office and show the Marshal the very place in which Belknap had lost his money on the night before. He then passed along the street, and Mr. Murray has not seen him since until the day he arrested him in South Carolina. Other persons, probably connected with the robbers, reported the same story regarding Belknap's gambling, not only to the detective but also to the Navy Department here, which was the reason of his dismissal. Stanley is a man of the most faultless appearance, and moved in the best society. He was heavily engaged in cotton speculations in the South, and became very rich.

William Walton is regarded as the most successful screwsman in the world. There are few locks he cannot fit, having been at the business from childhood. Joseph Bufford is a very expert thief, and an old offender. Jack Wright, whose aliases your correspondent has been unable to obtain, is the most daring burglar in the country, and in experience is not surpassed by even Dan Noble. The detectives have yet some hope of ascertaining the whereabouts of the stolen money, unless its identity has been lost during the long period since the robbery.

A LOYAL POSTMASTRESS.—Mrs. P. C. Stevens, the new P. M. at Springfield, Missouri, is—says the *Patriot*—the widow of the late John A Stevens, who was mistaken for a Rebel and killed by Zagonyi's men in the celebrated charge of November, 1861, into Springfield. Mr. Stevens was a staunch loyalist, and suffered privation by reason of his fidelity to the Union. He left a competence for his wife and children had it not been that General Brown on that memorable 8th of January, 1863, deemed it expedient to burn several of Mr. Stevens' houses to enable his batteries to play upon the rebel lines. For this destruction of her property every effort to recompense Mrs. S. has been futile.

FINANCE AND COMMERCE

WEEKLY REVIEW.

PORTLAND, FRIDAY, 2 P. M., May 31, 1867.

Wednesday evening gold was quoted in New York at 137¾. At San Francisco, yesterday, legal tenders were quoted without change at 73¾ buying, and 74 selling.

The monthly settlement of dealers' bills, occurring today, develops the fact of an increased tightness in money matters, many of our best houses asking to have their bills stand over till evening or till to-morrow, while some of the smaller dealers and those who have been buying and selling on credit, find themselves unusually embarrassed. Unpaid obligations of merchants in the interior and in the upper Columbia country, contribute somewhat to this unpleasant state of affairs, but the principal cause is found in the fact that business is flat while merchants have on hand large stocks of goods for which heavy obligations are outstanding in San Francisco and New York. Every dollar that can be spared from every day transactions here, goes to liquidate the demands of wholesalers in those cities. Our business men seem to have been unprepared for the unusually light receipts of money from the mining region. The failure of the spring trade to open as heretofore in April or May, has somewhat astonished the most sagacious. We may say that at no time during this year have our merchants felt less confidence than now in their ability to get safely through the present state of affairs. Those only who owe nothing, are entirely out of danger.

In the jobbing trade we have few changes in prices to note. Many of the quotations are nominal, the articles being in no demand

Flour, though unchanged, is a little less active. Wheat has suffered a still further decline in San Francisco, the demand for exportation having ceased. Buyers are only taking such amounts as the mills can manufacture, without accumulating anything in store. We quote to-day at 75@80c, a price which may be seriously felt by the inferior descriptions which have not purchased with care. The receipts of flour for the month foot up 51,103 qr sks; exports, for same period, 47 204 qr sks. The receipts for wheat, foot up for the month, 8,736 bags; exports for same time, 5,568 bags. The surplus of the latter, 3,168 bags, will be mostly shipped per next steamer.

Bacon is still lower. The stock on hand is large, the receipts for this month footing up, also, 2,428 gunnies and 67 cases, besides some small lots of hams and shoulders.

Agricultural implements and hardware remain unchanged. Moderate sales have been effected within the week.

Groceries remain as at last week's quotations. Business light and confined to current city orders and limited demands for the Willamette valley. The sales of the month will not aggregate more than one-half those of May, 1866.

Dry goods have been in fair demand, several firms having filled considerable orders This is really the only line of trade that does not complain bitterly of stagnation Jobbers confidently look for a better trade within the next month, feeling assured that the Indian troubles on the plains will induce the miners of Montana to look this way for supplies, rather than take the risk of transportation from St. Louis.

Woolen goods have declined materially since our last report, consequent upon the glut of goods in the markets. The manufacturers of this State and California are beginning to sensibly feel the pressure, and many of them are stopping a part of their machinery.

Wholesale and Jobbing Prices.

Domestic Produce Market.

PORTLAND, May 31, 1867.

There is no longer anything doing in green apples and we omit quotations Wheat is 5@10c lower. The amount coming forward, however, is large. Oats are plenty at weaker prices. We quote at 30c. Bacon has declined still further and the supply is augmented so rapidly that prices must go still lower. Lard sympathizes with Bacon and goes down in the same proportion. If interior dealers could keep back their stocks for awhile, they would find it to their advantage. Butter is in excessive supply, and sales are impossible. The general tone of the produce buying market is bad.

Consumption like the Rattle Snake,

always gives warning of its approach. A hacking cough, dull pain in the chest, difficulty of breathing, are the indications that there is more or less irritation of the lungs If this be neglected, and go on until pustules are formed, followed by tubercles, which sometimes eat off the blood vessels, death will be the result **Allen's Lung Balsam** will heal the irritated parts, allay the inflammation, removing the phlegm and matter, thus stopping the cough, and preventing fatal consumption. For sale by all Medicine Dealers. dtc
